MANIKANT MANI

Front-end React developer

EDUCATION

[LNMU University, Darbhanga, Bihar]
From 2018 to 2021
I have completed my graduation in BA with Hindi honors.

EXPERIENCE

Internship- Mumbai, Maharashtra (Remote)

I. Front End React Engineer at Delever. From March 2022 to June 2022

In this company, I have worked as a front-end React Developer. Here I with my team create a complete Delever landing page in Next.js. And I have learned how to work with the team on Real time projects.

Job (Full-time - On-Site)

I. Front End React/Next.js Engineer at GoldCash Limited, Gurgaon. From September 2022 to December 2022

In this company, I was working as a Front end developer in React/Next.js. I Improved our company website in the frontend domain and worked on a new upcoming website. www.GoldCash.co

PROJECTS

I. Web 3.0 sipto website

This web app based on the web3.0 model. This website is based on web 3.0 and its UI is fully decentralized.
